PROFESSIONAL SUMMARY

Operations and Business Development professional with 8+ years of experience building commercial enterprises, managing institutional client portfolios, and leading high-performing teams across Medical Devices, FMCG, Technology, and F&B sectors in India, Canada, and the UAE. MBA-qualified with a proven ability to scale revenue, develop markets, and deliver consistent operational results. Dubai-based, immediately available, visa transferable.

KEY ACHIEVEMENTS

- Built a Medical Device and Trading Division from zero, scaling annual revenue from **USD 280K to USD 1.4M** over four years, maintaining **6–11% net profit margins** with direct P&L accountability to the MD and Chairman.
- Grew the institutional client portfolio to **300+ B2B accounts** across hospitals, dental clinics, colleges, and laboratories, achieving consistent quarter-on-quarter revenue growth.
- Launched an **e-commerce platform with integrated loyalty programme** from scratch, creating a new recurring digital revenue channel alongside traditional B2B distribution.
- Delivered **75% revenue growth** within a 10-month tenure at Embsoft Technologies by managing three simultaneous commercial pipelines across B2B subcontracting, installation, and retail resale.
- Achieved **~20% reduction in operational costs** at Tim Hortons through data-driven inventory controls, improving P&L margin across multiple retail sites.

PROFESSIONAL EXPERIENCE

Operations Supervisor

Tim Hortons — Sai Sethsons Hospitality Group Inc. | Toronto, Canada | Apr 2022 – Nov 2025

Progression: Team Member (Apr 2022) → Operations Supervisor within 12 months (Apr 2023).

- Managed daily operations across multiple high-volume retail sites, overseeing team performance, inventory, and vendor coordination for a leading international F&B franchise.
- Reduced material wastage by approximately **20%** through structured inventory controls and data-driven stock management, directly improving operational margin.
- Maintained full compliance with health, safety, and brand standards across all service touchpoints, managing a diverse multicultural team in a fast-paced environment.
- Prepared operational KPI reports and performance dashboards for management, providing actionable insights to support commercial decisions.

Division Head — Commercial Operations & Business Development

Dentcare Dental Lab Pvt. Ltd. | Kerala, India | May 2017 – Oct 2021

Progression: Assistant Manager (May 2017) → Manager (May 2018) → Senior Manager (May 2019) → Division Head (Jan 2020) — promoted three times in three years.

- Built and led the Medical Device and Trading Division from inception — developing commercial strategy, acquiring the first clients, and scaling to USD 1.4M annual revenue with a team of **80+ employees**.
- Managed **300+ institutional B2B accounts** across hospitals, clinics, colleges, and laboratories — overseeing acquisition, onboarding, contract negotiation, and long-term retention.
- Expanded the brand portfolio from **5 to 23 active brands** through international sourcing, import logistics, regulatory compliance, and distribution network development.

- Acquired and integrated a dental products manufacturing company — overseeing operational alignment, rebranding, and establishment of a dedicated R&D function.
- Converted the division into a registered private limited entity, implementing Tally Prime and overseeing SAP installation to build the financial and operational infrastructure of an independent company.
- Delivered monthly P&L reports, variance analyses, and revenue forecasts to the MD and Chairman using Power BI and Advanced Excel.

Business Development Manager

Embssoft Technologies | *Kerala, India* | Mar 2016 – Jan 2017

- Drove **75% revenue growth** by managing three simultaneous BD pipelines — B2B telecom subcontracting, security systems installation, and retail resale — within a 10-month tenure.
- Acquired an average of **4–5 new clients per month** and completed **130+ project installations**, including a landmark manufacturing facility project valued at USD 5,000–7,000.

Procurement Coordinator

Gtech Equipments & Systems | *Mumbai, India* | Mar 2014 – Nov 2015

- Managed end-to-end procurement for 20+ active vendor accounts — vendor sourcing, RFQ analysis, negotiation, purchase coordination, and supply chain reporting using ERP systems.
